

## FEES FOR SCHOOL YEAR 2011/2012

(Subject to change depending on requirements.)

**Registration:** *First-time enrollment* - \$325 (due with submission of application; refundable if application is not accepted). (If enrolling more than 1 child for the first time, each additional child's registration fee will be \$225.)

*Returning Student* - \$225 for the first child; \$200 each additional child (due with return of pre-registration form; nonrefundable). (If not paid by enrollment deadline, a \$100 per family penalty will be charged.)

**Additional Fees:** \$125 for each child (for activities not covered in the day-to-day classroom studies)

Registration fees and additional fees are once-a-year fees. Tuition fees are per month; however, if you wish to pay tuition in a lump sum, just multiply the monthly fee by 10—that will be your yearly obligation.
